The New York Athletic Club
Seventh Avenue & 59th Street
6:00 PM Cocktail Hour
7:00 PM Dinner

NY Business Attire

The Concrete Industry Foundation, Inc.

The CIF was established in 1993 to provide financial assistance to students preparing for careers in the design and construction industry, with special emphasis on study related to concrete.

The Foundation provides scholarships and grants for study at the graduate, undergraduate, technical college and apprentice levels to residents of the New York City Metropolitan Area who are studying at accredited schools and programs in the area.

The Foundation's work is supported by contributions from the design and construction industry, in particular from those involved in the many phases of concrete design and production.
